Special Collection - November 20th

Catholic Campaign for Human Development

This weekend is the collection for the Catholic Campaign for Human Development. Currently 38 million people live in poverty. This collection funds programs that empower local communities across the country to address the challenges they face. The Catholic Campaign for Human Development identifies and addresses the unique obstacles people encounter as they work to lift themselves out of poverty. In addition, 25% of the funds we collect remain in our diocese to fund local antipoverty projects. By supporting the Catholic Campaign for Human Development, you will be giving those living on the margins a hand up. Thank you for being generous.
